

The Discovery Series Scholarship Fund

Sponsored by U.S. Sugar

For Title I Schools

Are you a Title I School in need of field trip assistance?

Thanks to the generosity of U.S. Sugar, The Lyric Theatre is offering field trip assistance to Martin County Title I schools to attend The Lyric Theatre's Discovery Series. The Discovery Series is comprised of curriculum-related educational programming and brings learning to life. The Discovery Series Scholarship Fund is open to Martin County Title 1 schools, and provides a chance for all students, regardless of resources, to be exposed to the magic of live theater. Selected classrooms from qualifying schools will receive scholarships to attend a performance of a Discovery Series show for FREE.

If you are granted tickets to a Discovery Series performance for the 2016-2017 season, you will be responsible for making the reservation for your group through Karin Leone, The Lyric Theatre's Director of Education at Karin@LyricTheatre.com.

Please Note: Funds are limited and will be offered on a first-come, first-served basis for qualifying schools. Only one application is allowed per teacher, per year. Scholarship funds do not apply to transportation.
